

V4 2022-2023 Verification Worksheet

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before rewarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. **You must complete and sign this worksheet, attach any required documents, and submit the form to the financial aid administrator at your school.** Your school may ask for additional information. If you have questions about verification, contact your financial aid office as soon as possible so your financial aid will not be delayed.
