American Baptist College Students:

As part of the national response to the coronavirus pandemic which began in Spring 2020, American Baptist College and other higher education institutions have received funding from the federal government to provide emergency assistance for students. These funds provide direct monetary aid to help students address hardships related to COVID-19 disruptions, such as expenses related to distance learning (internet access, computer hardware and software, etc.), course materials, childcare, healthcare, and other expenses that may have been incurred.

A small amount of these student emergency assistance funds remains, and will be disbursed before the end of this academic year. Students who attended the College during the 2022-2023 academic year are eligible to apply to receive funding up to \$500.

Students must complete the attached Student Emergency Relief Fund Application to be considered for the award. **Applications must be fully completed, scanned, and submitted to [abcevp@abcnash.edu](mailto:abcevp@abcnash.edu) by 5 p.m. (Central) on Monday, May 1, 2023. This deadline will not be extended.** Students will be notified by Wednesday, May 3, 2023, and instructed on how funds will be distributed.
